

# GRILLING RULES

We all enjoy a good bar-b-que, but please remember to follow these rules when grilling out. Fire code and property rules are in place to keep people safe, reduce the chance of damage, and to keep the property aesthetics looking great for you and your neighbors.

- 🔥 Grilling & Storing Grills On A Deck Is Prohibited By Fire Code
- 🔥 Storage Of Gas/Flammable Liquids Indoors Is Prohibited
- 🔥 Attend Your Grill Whenever Grilling
- 🔥 Extinguish Any Hot Coals As Soon As You Are Done Grilling
- 🔥 No Storage Of Grills On The Front Of The Building
- 🔥 Grills Must Be At Least 10 Feet From The Building When In Use
- 🔥 Store Cooled Grills In Your Garage

Thank you for your help keeping our properties safe and looking nice!

## HAPPY GRILLING!
